COMBINED MOTOR HOLDINGS LIMITED

REPORT OF THE AUDIT AND RISK ASSESSMENT COMMITTEE for the year ended 28 February 2018

This report has been compiled in compliance with section 94(7)(f) of the Companies Act 2008.

The audit and risk assessment committee of Combined Motor Holdings Limited and its subsidiaries ('the Group') was appointed by the shareholders in respect of the year ended 28 February 2018. All members are independent non-executive directors of Combined Motor Holdings Limited ('the Company'). The committee has adopted formal terms of reference agreed by the Board. These have been embodied in a charter and work plan which align with the Companies Act 2008, the King IV Code on Corporate Governance, and the JSE Listings Requirements.

The committee meets biannually. The chief executive officer, financial director, external auditor and chief audit executive of the Company are required to attend committee meetings, and the chairman attends by invitation.

The role and functions of the committee, the manner in which it has discharged its responsibilities, and the key areas of focus for the year, are as follows:

Oversee integrated reporting

- evaluate significant judgements and reporting decisions made by management, including changes in accounting policies and decisions requiring a significant element of judgement;
- be informed of any monitoring or enforcement actions and involved in management's response thereto;
- consider any evidence that comes to its attention that brings into question any previously-published Company information;
- review forward-looking statements of financial or sustainable information to ensure their credibility;
- review and comment on the annual and interim financial statements, accounting practices and internal financial controls; and
- review management's statement regarding the going-concern status of the Company.

The committee has discharged this function by:

- taking appropriate steps to ensure that the financial statements are prepared in accordance with International Financial Reporting Standards, the SAICA Financial Reporting Guides, as issued by the Accounting Practices Committee, the Financial Pronouncements, as issued by the Financial Reporting Standards Council, and the Companies Act 2008, and that the financial reporting procedures are operating effectively;
- considering and, when appropriate, making recommendations on the effectiveness of the internal financial controls;
- dealing with concerns or complaints relating to accounting policies, internal audit and internal financial controls;
- recommending to the Board that the financial statements and integrated report be approved, and that the Company's status as a going concern be confirmed;
- considering any whistle-blowing complaints; and
- reviewing the report of the external auditor and the key audit matters.

Ensure that a combined assurance model is applied to promote a co-ordinated approach to assurance activities

The committee has satisfied itself that the combined assurance provided by internal and external assurance providers and management is sufficient to address risk areas within the Company and to ensure that suitable controls exist to mitigate and reduce these significant risks.

Satisfy itself of the expertise, resources and experience of the Company's finance function

The committee has evaluated and satisfied itself of the suitability of the expertise and experience of the financial director, SK Jackson, and the adequacy of resources and expertise of the finance department and its senior management.

REPORT OF THE AUDIT AND RISK ASSESSMENT COMMITTEE
for the year ended 28 February 2018

Accept responsibility for overseeing of internal audit

The committee has satisfied itself that the Company's internal audit function is independent and has the necessary resources, budget, standing and authority within the Company to discharge its duties. The internal audit plan has been considered and approved, and areas of overlap between internal and external audit identified so as to optimise the combined assurance model. There is regular communication between the committee chairman and the chief audit executive who also reports on its activities for the period at each committee meeting. The committee meets with the internal auditors annually without management's presence.

Accept responsibility for the Company's risk management function

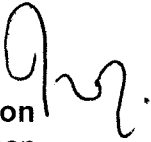

Details of the committee's role and function in this area are provided in the integrated annual report of the Company. In discharging its responsibility, the committee focused on financial reporting risks, internal financial controls and fraud and information technology risks in relation to financial reporting. The committee is satisfied that these areas have been appropriately addressed.

Oversee the appointment of the external auditor and the external audit process

- recommend to shareholders the appointment, reappointment and removal of the external auditor and designated partner, after ensuring that the external auditor is accredited by the JSE Limited and the designated partner is suitably qualified and eligible to fulfil the position;
- approve the external auditor's terms of engagement and remuneration;
- review, monitor and report on the external auditor's independence and objectivity;
- discuss the external audit process without management's presence;
- define, for Board approval, a policy addressing the nature, extent and terms under which the external auditor may perform non-audit services and ensure compliance therewith; and
- develop a process in terms of which the committee receives, and communicates to the Board, any notices of reportable irregularities reported by the external auditor.

The committee reviewed and approved the external audit plan, the external auditor's terms of engagement and proposed remuneration. It is satisfied that, despite the fact that the external auditor has been the auditor of the Company for the past 42 years, it is independent of the Company, and able to express an objective opinion. The re-appointment of PricewaterhouseCoopers, and the appointment of lead partner, R Klute, who, by rotation, replaces SF Randelhoff, were considered and are recommended for approval by shareholders at the forthcoming annual general meeting.

The committee is satisfied that, in respect of the financial year ended 28 February 2018, it has performed all of the functions required to be performed by an audit committee.

REPORT OF THE SOCIAL, ETHICS AND TRANSFORMATION COMMITTEE for the year ended 28 February 2018

This report has been compiled on behalf of the Board in compliance with Regulation 43(5)(c) of the Companies Act Regulations 2011.

The social, ethics and transformation committee is a statutory committee established in compliance with the Companies Act. The Committee has adopted formal terms of reference agreed by the Board. These have been embodied in its charter which aligns with the Companies Act Regulations 2011, the King IV Code on Corporate Governance, and the JSE Listings Requirements.

The purpose of the Committee is to:

- assist the Board in ensuring that the Company is and remains a committed socially responsible corporate citizen;
- review policies, plans and processes aimed at facilitating transformation in the Company; and
- supplement, support, advise and provide guidance on the effectiveness or otherwise of management's efforts in respect of sustainable development, ethics and transformation.

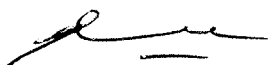

To fulfil this purpose, the associated responsibilities of the Committee are to:

- monitor the Company's activities, having regard to relevant legislation, other legal requirements or prevailing codes of best practice, with regard to matters relating to:
 - social and economic development;
 - good corporate citizenship;
 - the environment, health and public safety, including the impact of the Company's activities and of its products and services;
 - consumer relationships; and
 - labour and employment
- ensure that the Company's transformation strategy and goals align with its business objectives and strategies;
- approve, review and monitor progress toward achievement of B-BBEE scorecard targets;
- approve, review and monitor progress toward achievement of Employment Equity targets and transformation objectives; and
- approve, review and monitor progress toward achievement of skills development targets.

The Committee's main area of focus in the year under review was understanding the impact of the revised B-BBEE Codes of Good Practice and maximising the points scored on the latest B-BBEE scorecard of the Company and its various subsidiaries.

The Committee has satisfied itself that the Company's activities have regard to relevant legislation and prevailing codes of best practice in each of the relevant areas.

The Board is satisfied that the Committee has performed all the functions required to be performed by it as set out in Regulation 43(5) of the Companies Act Regulations, 2011.

STATEMENT OF DIRECTORS' RESPONSIBILITY for the year ended 28 February 2018

The directors are responsible for the preparation, integrity and fair presentation of the financial statements of the Company. The financial statements presented on pages 10 to 24 have been prepared in accordance with International Financial Reporting Standards and in the manner required by the Companies Act of South Africa and include amounts based on judgements and estimates made by management.

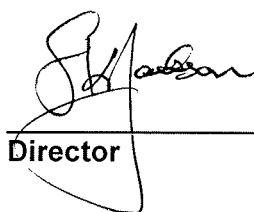

The directors consider that in preparing the financial statements they have used the most appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates, and that all International Financial Reporting Standards that they consider to be applicable have been followed. The directors are satisfied that the information contained in the financial statements fairly presents the results of operations for the year and the financial position of the Company at year-end.

The directors have responsibility for ensuring that accounting records are kept. The accounting records should disclose with reasonable accuracy the financial position of the Company to enable the directors to ensure that the financial statements comply with the relevant legislation.

The Company operated in a well-established control environment, which is well documented and regularly reviewed. This incorporates risk management and internal control procedures, which are designed to provide reasonable, but not absolute, assurance that assets are safeguarded and the risks facing the business are being controlled.

The going concern basis has been adopted in preparing the financial statements. The directors have no reason to believe that the Company will not be a going concern in the foreseeable future, based on forecasts and available cash resources.

The financial statements were approved by the board of directors on 12 April 2018 and are signed on its behalf by:

Independent auditor's report

To the Shareholders of Combined Motor Holdings Limited

Report on the audit of the separate financial statements

Our opinion

In our opinion, the financial statements present fairly, in all material respects, the separate financial position of Combined Motor Holdings Limited (the Company) as at 28 February 2018, and its separate financial performance and its separate cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa.

What we have audited

Combined Motor Holdings Limited's separate financial statements set out on pages 10 to 24 comprise:

- the separate statement of financial position as at 28 February 2018;
- the separate statement of comprehensive income for the year then ended;
- the separate statement of changes in equity for the year then ended;
- the separate statement of cash flows for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the separate financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the *Independent Regulatory Board for Auditors Code of Professional Conduct for Registered Auditors (IRBA Code)* and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the International Ethics Standards Board for Accountants *Code of Ethics for Professional Accountants* (Parts A and B).

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the separate financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Other information

The directors are responsible for the other information. The other information comprises the information included in the *Combined Motor Holdings Limited Company Financial Statements* and the *Combined Motor Holdings Limited 2018 Integrated Annual Report*, which includes the Directors' Report, Report of the Audit and Risk Assessment Committee and the Certification by the Company Secretary as required by the Companies Act of South Africa. Other information does not include the consolidated and separate financial statements and our auditor's report thereon.

Our opinion on the separate financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the separate financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the separate financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the separate financial statements

The directors are responsible for the preparation and fair presentation of the separate financial statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of separate financial statements that are free from material misstatement, whether due to fraud or error.

The Company's principal place of business is at 4 Lisbon Lane, Waterfall City, Jukskei View, where a list of directors' names is available for inspection.

Reg. no. 1998/012055/21. VAT reg.no. 4950174682

In preparing the separate financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the separate financial statements

Our objectives are to obtain reasonable assurance about whether the separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the separate financial statements, including the disclosures, and whether the separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

In terms of the IRBA Rule published in Government Gazette Number 39475 dated 4 December 2015, we report that PricewaterhouseCoopers Inc. has been the auditor of Combined Motor Holdings Limited for 42 years.

1. Summary of Significant Accounting Policies

1.1 Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") and in the manner required by the Companies Act, 2008. The financial statements have been prepared under the historical cost convention except as disclosed in the accounting policies below. The policies set out below have been consistently applied to all the years presented unless otherwise stated.

Standards, amendments and interpretations effective in 2018 or early adopted by the Company

There are no standards, amendments or interpretations that became effective in 2018 and are relevant to the Company. No standards, amendments and interpretations not yet effective have been early adopted by the Company.

1.2 Investments and other financial assets

Investments in subsidiaries are accounted for at cost less impairment. Cost is adjusted to reflect changes in consideration arising from contingent amendments. Cost also includes direct attributable costs of investment.

Financial assets include cash and cash equivalents, investments and advances to subsidiaries which the Company classifies as loans and receivables. The classification depends on the purpose for which the financial assets were acquired and is determined at initial recognition. Financial assets are initially measured at fair value plus transaction costs. Thereafter they are measured at amortised cost using the effective-interest-rate method, less impairment losses, which are recognised in the statement of comprehensive income. Financial assets are derecognised when the rights to receive cash flows from the assets have expired or have been transferred, and the Company has transferred substantially all the risks and rewards of ownership.

The Company assesses at each financial year-end whether there is objective evidence that a financial asset or a group of financial assets is impaired. The amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. The amount of the impairment is recognised in the statement of comprehensive income within "Selling and administration expenses".

Cash and cash equivalents

Cash and cash equivalents comprise deposits held at call with banks, net of bank overdrafts. Bank overdrafts are reflected under current liabilities except where they are held at the same bank and branch as favourable balances and there is a legal right of set-off.

1.3 Taxation

The tax expense for the year comprises current income tax. Tax is recognised in the statement of comprehensive income. The income tax expense is calculated on the basis of the tax laws enacted or substantially enacted at year-end.

1.4 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

1.5 Financial liabilities

The Company has the following financial liabilities:

Other payables

Other payables are initially measured at fair value less transaction costs and subsequently stated at amortised cost. Short-term payables are measured at original invoice amount which approximates fair value.

Financial liabilities are removed from the statement of financial position when the obligation specified in the contract is discharged, cancelled, or expires.

1.6 Revenue recognition

As the Company is an investment holding company, its revenue comprises dividend and interest income on investments. Interest income is recognised as it accrues, taking into account the effective yield on the asset. Dividend income is recognised when the right to receive payment is established.

1.7 Dividends paid

Dividends paid are recorded in the financial statements during the period in which they are approved by the board of directors.

2. Financial risk management

The Company's activities expose it to a variety of financial risks. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance. Risk management is carried out by the chief executive officer and financial director under policies approved by the board of directors.

2.1 Interest rate risk

Interest rate exposures are reviewed regularly. The Company is exposed to interest rate risk on its investments, investments in subsidiaries and cash and cash equivalents, all of which are linked to the prime overdraft rate.

Had interest rates for the year been 0,5 percentage point higher or lower and been applied to the interest-bearing assets, the net profit before taxation for the year would have been higher or lower by R2 688 600 (2017: R1 951 000).

2.2 Credit risk

Cash and cash equivalents are placed only with major financial institutions with national long-term credit rating of Baa3.

2.3 Equity price risk

The Company has no direct exposure to any equity price risk.

2.4 Foreign currency risk

The Company has no foreign currency risk.

2.5 Liquidity risk

The Company manages its liquidity risk by regularly monitoring its projected cash flow requirements against its cash resources and unutilised borrowing facilities.

In terms of its memorandum of incorporation the Company has unlimited borrowing powers.

The Company has no significant financial liabilities.

2.6 Capital risk

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders, and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders or return capital to shareholders.

3. Significant accounting judgements and estimates

There are no estimates and judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

16. Share-based payment reserve

Share appreciation rights scheme 2010

On 1 June 2010, the Combined Motor Holdings Limited Group ("the Group") introduced the Combined Motor Holdings Limited Share Appreciation Rights Scheme 2010 ("the scheme"). Under the scheme, participating employees are awarded the right to receive shares equal in value to the difference between the exercise price and the grant price. The employee therefore participates in the share price appreciation of the Company. The vesting of the right is conditional on the achievement of compound real growth in headline earnings per share over the performance period.

	2018 R'000	2017 R'000
The amounts recognised in the Group's consolidated financial statements for these share-based payment transactions are as follows:		
Balance at beginning of year	6 981	5 987
Charges as "selling and administration expenses" during year	4 241	3 561
Released during year following exercise of share appreciation rights	(2 349)	(2 567)
Balance at end of year	8 873	6 981

A reconciliation of the movement in the number of rights granted to employees is as follows:

Balance at beginning of year	('000 rights)	4 322	3 594
Granted during year	('000 rights)	1 175	1 575
Exercised/forfeited during year	('000 rights)	(760)	(847)
Balance at end of year	('000 rights)	4 737	4 322

The directors have determined that employee entitlements in terms of the scheme will be settled by the issue of shares purchased in the open market. Hence there will be no fresh issue of shares.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 28 February 2018

17. New standards and amendments to existing standards and interpretations that are not yet effective

The following new standards, and amendments to existing standards and interpretations have been published that are mandatory for the Company's future accounting periods, but that the Company has not early adopted:

- IFRS 9 Financial Instruments (effective for periods beginning on or after 1 January 2018)
- IFRS 15 Revenue from Contracts with Customers (effective for periods beginning on or after 1 January 2018)
- IFRS 16 Leases (effective for periods beginning on or after 1 January 2019)

These standards and amendments thereto are not expected to have a material impact on the Company's future financial statements.

18. Subsequent event – dividend declaration

A dividend (dividend number 60) of 115 cents per share will be paid on Monday, 18 June 2018 to members reflected in the share register of the Company at the close of business on the record date, Friday, 15 June 2018. Last day to trade cum dividend is Tuesday, 12 June 2018. First day to trade ex dividend is Wednesday, 13 June 2018. Share certificates may not be dematerialised or rematerialised from Wednesday, 13 June 2018 to Friday, 15 June 2018, both days inclusive.

The number of ordinary shares in issue at the date of the declaration is 74 801 998. Consequently, the gross dividend payable is R86 022 298 and will be distributed from income reserves. The dividend will be subject to dividend withholding tax at a rate of 20%, which will result in a net dividend of 92 cents to those shareholders who are not exempt in terms of section 64F of the Income Tax Act.

SUBSIDIARIES

for the year ended 28 February 2018

Subsidiaries

The Company's direct and indirect interest in subsidiaries is as follows:

Name of company	Effective holding		Activity
	2018 %	2017 %	
Direct holding			
CMH Holdings	100	100	3
Indirect effective holding			
CMH Car Hire	48	85	2

Kempster Sedgwick	85	85	1
Mandarin Motors	85	85	1
Mandarin Motors Three	85	85	1
Pipemakers	60	60	3
Whitehouse Motors	85	85	1

Notes:

- All subsidiaries are Proprietary Limited companies incorporated in South Africa.
- Activity index:
 - retail motor
 - car hire
 - other
- No business of a subsidiary was managed by a third party during the year under review.
- Although the Company does not own any of the issued ordinary share capital of Main Street 445 Proprietary Limited ("Main Street"), an agreement entered into with the shareholders of Main Street enables the Company to control the activities of Main Street. Consequently Main Street has been consolidated in the financial statements of the Company and its subsidiaries.
- With effect from 1 December 2017, the Group concluded a black economic empowerment transaction with Azepha Proprietary Limited ("Azepha"), a company owned by Company director, LCZ Cele and her family. In terms of the transaction, Azepha acquired a 43% equity interest in the restructured CMH Car Hire Proprietary Limited. The purchase price was funded by the Group, and will be repaid from future dividends. The terms and nature of the transaction are such that it does not meet the requirements of IAS 39 in terms of the transfer of risks and rewards of ownership to the subscriber. Consequently the issue of shares to Azepha has not been recognised in the financial statements.
